

You should get your order back 7 to 12 days after you mail it depending on how slow the US Post Office is.

The Free Return Shipping Deal (less insurance)

We will give free return shipping on orders that have \$101. 00 or more of sharpened items to the lower 48 states only. This includes blades and shears only, NOT THE INVOICE TOTAL. Does not include any parts, equipment sales, or clipper repair, just sharpened items only. Price of return shipping for orders UNDER \$101.00 in sharpened items is a flat rate of \$10.00 to lower 48 states. If your total of sharpened items is \$100, that's under \$101.00, add another piece of equipment. Please don't call asking for free shipping since you're only a couple dollars short, that isn't the deal, no excuses. Just throw a couple more items in the box to get sharpened

**If your using a Heiniger Opal clipper please tell us.
We have to set the blade tension on the lower side of the spec so the clipper doesn't shut down on you.
You also have to do good blade care using it.**
