Flat-rate boxes, One low postage rate to any state regardless of weight. Best Deal !!

What other sharpener will sharpen your equipment correctly, then teach you how to maintain your blades and clippers properly? NONE!. Following my program could reduce your yearly sharpening cost up to 50% . My website is loaded with FREE videos and articles you can keep right in the shop.

The Blade Box, cost is \$4.00 but well worth the price. No more wrapping blades or broken teeth during shipping.

► **CLIPPER MAINTENANCE – Free Labor**, charge only for parts on some models. This includes replacing: Levers, blade drives, hinges, latches, cords, carbons, switches, and some lubrication . Call with questions. My limit is one pair of clippers per sharpening order. Use a Flat Rate box when sending clippers.
